

MILESTONE 12
FAMILY VALUES

The family plays a vital role in Kazakhstan's social life. It provides an everlasting source of love amongst the people, culture and everyday life of Kazakhstan. The family and the institution of marriage helps support the moral and ethical development of Kazakhstan and sustains the country's national traditions. Since independence, more than 6 million children have been born in Kazakhstan. The population of the country has reached more than 17.5 million people.

In Kazakhstan, the family is the foundation of society, providing interconnectedness between the generations.
