

### MILESTONE 13 SPORTS ACHIEVEMENTS

Kazakhstan has enjoyed great sporting success. The achievements of Kazakhstan's sportsmen and women have raised the country's profile within elite sport worldwide. This success serves to motivate, inspire and set an example to young people throughout Kazakhstan.

One of the highlights of the country's recent sporting success was Kazakhstan's 12th place in the medal table of the 2012 Olympic Games in London, with similar success at Rio 2016.

Kazakhstan has also become the venue of choice for major international sporting events, such as the VII Asian Winter Games. In 2017, Kazakhstan will host the XXVIII Winter Universiade.

### MILESTONE 14 HEALTH OF THE NATION

The improvement in the quality of medical services and the development of Kazakhstan's high-technology healthcare system is one of the key areas promoted by state policy. In 2010, the Decree of President Nursultan Nazarbayev adopted the State programme for the development of universal healthcare throughout Kazakhstan 'Salamatty Kazakhstan', which aims to support the socio-demographic development of the country.
