

MILESTONES 19, 20, 21 AND 22

**THE NURLY ZHOL PROGRAMME, INDUSTRIALISATION,
THE 'GREEN' TECHNOLOGIES OF EXPO-17 AND
SOCIAL MODERNISATION**

The Nury Zhol (Bright Path) Programme was ratified in 2015 by the Decree of President Nursultan Nazarbayev. It aims to create a single economic market by integrating the various regions of Kazakhstan with effective transport and communications infrastructure to provide long term and balanced economic growth throughout the country.
