

Message from  
Alderman Vincent Keaveny  
Lord Mayor of the City of London

---

It gives me great pleasure to congratulate the leadership and people of Georgia on the 30th Anniversary of UK-Georgia diplomatic relations. The bilateral relationship is governed by the *UK-Georgia Strategic Partnership and Cooperation Agreement*. The UK plays an important role in the development of the Georgian economy and is one of the most significant investors. We look forward to many more years of fruitful cooperation between our two countries. **F**
