

Introduction by
Rt Hon Lord Astor of Hever PC DL
Parliamentary Under-Secretary of State for Defence 2010-2015

We are delighted to produce this Official Publication on the United Kingdom and Tanzania. The United Kingdom and Tanzania have a strong and enduring partnership built on shared interests and important political, economic and diplomatic relations. Tanzania is an important member of the Commonwealth and the United Kingdom is the largest provider of Foreign Direct Investment in Tanzania. The United Kingdom aims to further strengthen these economic relations.

I am certain that the United Kingdom and Tanzania will continue to work closely together to address key global challenges including the promotion of trade and investment opportunities. **F**
